

Do not permit Sinclair Broadcasting to force their stations to show the anti-Kerry documentary "Stolen Honor" just days before the Presidential election. To allow this or any other media consolidation (liberal or conservative) to air such slanted programs is no different from the ruthless measures employed by the regimes that John Kerry fought against in the Vietnam War and those that we attacked in Afghanistan and Iraq. The FCC must not ignore its clear statutory duty to all American citizens -- whether a nameless Iowan or Karl Rove.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

Please stop Sinclair from raping and destroying the freedom that so many of us have, are and will die for. Thank you.
